The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**PRISONER TRANSPORTATION SERVICES AGREEMENTS
BETWEEN THE COUNTY OF LOS ANGELES
AND THE CITIES OF SANTA MONICA AND HUNTINGTON PARK
(FIRST, THIRD, AND FOURTH DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) wishes to renew its Prisoner Transportation Services Agreements (Agreements) with the cities of Santa Monica and Huntington Park. These Agreements allow the Department to provide court transportation services for Santa Monica Police Department (SMPD) and Huntington Park Police Department (HPPD) prisoners.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chairman to sign the attached Agreements with the cities of Santa Monica and Huntington Park, effective July 1, 2009, through June 30, 2012, with two one-year extension options, not to exceed a total agreement term of five years.
2. Delegate authority to the Sheriff to execute all amendments to the Agreements with the cities of Santa Monica and Huntington Park, including the authority to execute the extension options, provided it is in the best interest of Los Angeles County (County) and there is no net County cost.

A Tradition of Service

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the Agreements is for the Department to provide and be compensated for the transportation of the SMPD and the HPPD prisoners to the Los Angeles Superior Court's Airport and Metropolitan Courthouses.

The cities of Santa Monica and Huntington Park have requested the prisoner transportation services because the Superior Court closed the prisoner lockups within the Santa Monica and Huntington Park Courthouses, and the Superior Court transferred the criminal court operations from the Santa Monica to the Airport Courthouse and from Huntington Park to the Metropolitan Courthouse.

Whereas the SMPD and the HPPD were previously able to deliver their prisoners to be arraigned within the local courthouses, their prisoners must now be transported outside the police jurisdictions to be arraigned. Neither city has the resources for transporting prisoners elsewhere for arraignment. Both cities wish to enter into agreements with the County for prisoner transportation services.

The Department's Transportation Services Bureau has the capacity to accommodate SMPD and HPPD prisoners on the busses currently used to transport prisoners from County detention facilities to the Airport and Metropolitan Courts. Providing transportation for SMPD and HPPD prisoners will require no additional transportation vehicles or human resources, but will simply require modifying the current routes between the County detention facilities and the courthouses in question.

Implementation of Strategic Plan Goals

The requested Board actions are consistent with the Countywide Strategic Plan, Goal 1, Operational Effectiveness; and Goal 5, Public Safety.

FISCAL IMPACT/FINANCING

There is no net County cost. Under the terms of the Agreements, the cities of Santa Monica and Huntington Park shall pay the Department for the services at the prevailing hourly personnel and mileage rates determined annually by the County Auditor-Controller, pursuant to the policies adopted by your Board. Each city will pay for the time spent by the Department's transportation crew and for the mileage added to the current bus routes.

The Fiscal Year 2009-10 aggregate estimate for the program is \$120,061 for the city of Santa Monica and \$85,393 for the city of Huntington Park, to be paid by the respective cities to the County for the transportation services.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The cities of Santa Monica and Huntington Park desire to obtain prisoner transportation services from the County through the Department. The initial term of the Agreements is three years, effective July 1, 2009, through June 30, 2012. The Agreements have renewal options for an additional two one-year periods. The billing rates are subject to change on July 1 of each year pursuant to any adjustments established by the Auditor-Controller. The Agreements provide for mutual indemnification by the parties.

The Agreements have been approved as to form by County Counsel.

The attached contract analysis is in accordance with the Board of Supervisors' policy and has been approved by the Auditor-Controller and the Chief Executive Office.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Transporting SMPD prisoners to the Airport Courthouse and transporting HPPD prisoners to the Metropolitan Courthouse will have no substantial impact on the Department's ability to timely transport County prisoners to the same courts. Both the County and the cities in question benefit: the transportation busses will be used more efficiently by operating closer to capacity; the cost of transporting County prisoners will be partially offset by the revenue collected from the cities; and the cities will be able to forego investing in special vehicles and additional personnel in order to transport their prisoners to court.

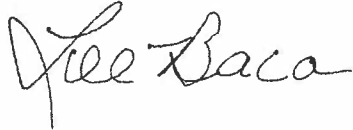

Neither Agreement will affect the Department's services being provided in the County unincorporated areas. The services in question do not draw from any of the Department's resources being used to service unincorporated areas. Instead, the Agreements will only consume a portion of the Department's resources that are currently being used to transport County prisoners to court.

The Honorable Board of Supervisors
June 30, 2009

CONCLUSION

Should the Agreements be approved, please forward three originally executed Agreements with the city of Santa Monica and three originally executed Agreements with the city of Huntington Park to Captain Edward Rogner of the Department's Contract Law Enforcement Bureau.

Sincerely,

BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF SANTA MONICA**

This Prisoner Transportation Services Agreement (hereinafter "Agreement") is made and entered into by and between COUNTY OF LOS ANGELES (hereinafter "County"), a political subdivision of the State of California, and CITY OF SANTA MONICA (hereinafter "City"), a municipal corporation, for the transportation of Santa Monica Police Department prisoners by the Los Angeles County Sheriff's Department.

RECITALS

WHEREAS, the Santa Monica Police Department (hereinafter "SMPD") and the Los Angeles County Sheriff's Department (hereinafter "LASD") each have similar responsibilities in the detention, transportation, and arraignment of prisoners; and

WHEREAS, the Los Angeles Superior Court has discontinued hearing criminal matters in the Santa Monica Courthouse and has transferred all such criminal matters to the Los Angeles Airport Courthouse (hereinafter "LAX Court"); and

WHEREAS, persons arrested and detained by SMPD need to be transported under guarded supervision from SMPD's detention facility to LAX Court; and

WHEREAS, County agrees to provide Prisoner Transportation Services to City; and

WHEREAS, County is authorized to enter into this Agreement by the provisions of Section 56 3-4 of the Charter of the County.

NOW THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto mutually agree as follows:

1.0 AGREEMENT SERVICES

County agrees to provide Prisoner Transportation Services to City as set forth herein and in the SMPD-LASD Prisoner Transportation Services Statement of Work (hereinafter "SOW"), which is attached hereto as Exhibit A and incorporated herein. County, through LASD, agrees to transport ambulatory SMPD prisoners from SMPD's detention facility to LAX Court on each court day for arraignment. LASD shall retain custody of any prisoners who are arraigned and/or remanded to custody by LAX Court pursuant to the terms and conditions contained in SOW.

2.0 OBLIGATIONS OF LASD

2.1 LASD shall provide "Basic Transportation Services" consisting of the following:

2.1.1 Provide one (1) pickup and transport of ambulatory SMPD prisoners from SMPD's detention facility to LAX Court on each court business day. SMPD's detention facility is located at:

Santa Monica Police Department
333 Olympic Drive
Santa Monica, CA 90401

2.1.2 Provide one (1) transportation bus to make the aforementioned pickup and transport of ambulatory SMPD prisoners to LAX Court. While LASD reserves the right under this Agreement to transport County prisoners and SMPD prisoners in the same transportation bus, LASD shall ensure that the transportation bus shall have sufficient remaining capacity to accommodate all SMPD prisoners listed on the daily Order to Transport submitted by SMPD, up to the total prisoner capacity of the transportation bus.

2.1.3 Two (2) Deputy Sheriff's shall be on board the transportation bus during the transportation of SMPD prisoners. The Deputies shall share responsibilities for driving, supervising the loading, unloading, handcuffing, chaining, etc. of prisoners, and supervising the prisoners while in transit.

2.1.4 Basic Transportation Services shall be billed at the rates shown in Exhibit B (Pricing and Billing Schedule) of this Agreement.

2.2 Basic Transportation Services shall be provided only in response to an Order to Transport issued by SMPD in accordance with the provisions of the attached SOW.

2.3 SMPD shall have its prisoners ready for transportation at the appointed pick-up time as determined by LASD's Transportation Bureau. Any SMPD prisoners who are not ready for transport at the scheduled departure time shall be transported to court by SMPD.

2.4 Each SMPD prisoner's property and custodial paperwork shall be transported with the prisoner in compliance with LASD policies regarding the transportation of prisoner property as described in the attached SOW.

2.5 SMPD prisoners shall remain in the custody of LASD and held in the proper court or County detention facility, or released when appropriate.

- 2.6 LASD and court personnel shall retain legal responsibility for, and physical custody of, prisoners at the court facility pursuant to the SOW.
- 2.7 Each prisoner's court attendance shall be coordinated with the SMPD Court Liaison.
- 2.8 LASD shall collate all SMPD prisoner related custody paperwork and forward such paperwork to LASD's Inmate Reception Center.

3.0 OBLIGATIONS OF SMPD

- 3.1 SMPD shall generate and transmit an Order to Transport to LASD's Transportation Bureau.
 - 3.1.1 SMPD shall transmit an Order to Transport to LASD from SMPD's detention facility after having processed prisoners scheduled to appear at LAX Court for either a misdemeanor or felony charge on that day.
 - 3.1.2 The Order to Transport shall follow protocol as outlined in the SOW.
- 3.2 SMPD shall transfer prisoners to LASD as follows:
 - 3.2.1 SMPD shall arrange, package, and address each prisoner's property and custodial paperwork.
 - 3.2.2 SMPD shall have prisoners, property, paperwork, and personnel ready to complete transfer upon arrival of the LASD transportation bus.
 - 3.2.3 SMPD personnel shall maintain security in and around SMPD facilities in accordance with the SOW.
 - 3.2.4 SMPD shall assist in transferring and securing prisoners aboard the LASD transportation bus pursuant to the SOW.
 - 3.2.5 Custody of a prisoner shall be transferred to LASD only after the prisoner is secured within the LASD transportation bus and the bus has departed the SMPD detention facility.
 - 3.2.6 SMPD shall either retake physical custody of or release any and all SMPD prisoners who are not arraigned, regardless of the reason for the prisoner(s) in question not being arraigned. If SMPD chooses to retake physical custody of such prisoners, then

SMPD shall do so within ninety (90) minutes of being notified by LASD. If SMPD chooses for such prisoners to be released, then SMPD shall fax to LASD written authorization for LASD to release the prisoner(s) in question. The written authorization shall be faxed to the number provided by LASD when notification of non-arraignment is given.

3.2.7 If an officer of the court issues an order to transport a pre-arraigned SMPD prisoner to another location for any reason, then SMPD shall retrieve the prisoner from LAX Court and transport the prisoner according to the court's instructions. LASD shall have no obligation whatsoever to transport said prisoner.

3.2.8 Whenever the number of prisoners shown on the daily Order to Transport exceeds the total prisoner capacity of the transportation bus as described in Subsection 2.1.2 above, then SMPD shall have the option of purchasing Supplemental Transportation Services at the hourly overtime rate and mileage rate shown on Exhibit B (Pricing and Billing Schedule) of this Agreement. LASD'S Transportation Bureau retains the right to refuse to provide Supplemental Transportation Services at its sole discretion. Under such circumstances, SMPD shall be solely responsible for transporting any and all prisoners who cannot be accommodated on the LASD transportation bus.

3.3 SMPD shall maintain and provide a SMPD Court Liaison. The SMPD Court Liaison shall:

3.3.1 Process paperwork and obtain the necessary complaints, if available; and

3.3.2 Coordinate prisoner's attendance in arraignment court with LASD; and

3.3.3 Serve as a liaison for SMPD with the court and LASD.

4.1 City shall pay County for the services provided under the terms of this Agreement at the rates established by the Los Angeles County Auditor-Controller as set forth on Exhibit B (Pricing and Billing Schedule) of this Agreement.

4.2 The fee for Basic Transportation Services shall be annualized based upon one (1) LASD Fiscal Year, which begins on July 1 and ends on June 30 of the following calendar year. The fee for one (1) Fiscal Year shall be

If payment is not rendered in full within sixty (60) days of the date of the invoice, County is entitled to recover interest on any unpaid balance at the rate of ten percent (10%) per annum or any portion thereof calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.
- 4.7 The Annual Base Rate for Basic Transportation Services, along with the Hourly Overtime Rate and the Mileage Rate for Supplemental Transportation Services, shall be adjusted annually to reflect the cost of such services as determined by the Los Angeles County Auditor-Controller. The adjusted rates shall take effect at 12:00 a.m. on July 1 of each year. The annual rate adjustment shall be reflected in an Amendment to this Agreement, pursuant to Section 7.0 (Amendments) of this Agreement.
- 4.8 City shall be notified of the adjusted Annual Base Rate for Basic Transportation Services and the Hourly Overtime Rate and the Mileage Rate for Supplemental Transportation Services no less than sixty (60) days prior to the date upon which the new rate becomes effective.

PRISONER TRANSPORTATION SERVICES
STATEMENT OF WORK**

This Statement of Work ("SOW") shall serve as an exhibit to the Agreement by and between the City of Santa Monica ("City") and the County of Los Angeles ("County") and shall address issues relating to the security and transportation of pre-arraignment prisoners of the Santa Monica Police Department ("SMPD") and their property by the Los Angeles County Sheriff's Department ("LASD"). The issues presented herein are agreed to by the Sheriff of Los Angeles County ("Sheriff") and by the Chief of Police of the City of Santa Monica ("Chief of Police"), and constitute specific procedures to be followed in order to meet the contractual agreement between the City and the County. This SOW shall remain in effect throughout the term of the Prisoner Transportation Services Agreement between the County and the City. This SOW shall expire at such time that said Prisoner Transportation Services Agreement terminates pursuant to the terms therein. Changes to this SOW can be made at any time throughout the term of the Prisoner Transportation Services Agreement upon mutual agreement by the County and the City, or their authorized representatives, consistent with and pursuant to Section 7.0 (Amendments) of the Prisoner Transportation Services Agreement.

INTER-AGENCY RESPONSIBILITIES:

1. Responsibility of SMPD

- A. Timely provide an Order to Transport to LASD. The Order to Transport shall be in the form of a teletype and shall be sent to LASD no later than 4:30 a.m. The Order to Transport shall also contain information that shall include, but is not limited to, the number of prisoners, their gender, and the court destination of each prisoner.
- B. Process all necessary paperwork for court.
- C. Prepare the prisoners, their property, and their paperwork for transportation to Los Angeles Superior Court Airport Courthouse ("LAX Court"). The paperwork shall include a Los Angeles County Unified Arrestee Medical Treatment Form. An example of the form is attached to the Agreement as Exhibit C.
- D. The SMPD station or jail facility Watch Commander shall be responsible for all aspects of prisoner security, including the physical custody of the prisoners, their property, and their paperwork, including all medical papers, during the entire time that the prisoners are housed or contained within a SMPD facility. SMPD shall be solely responsible for responding

to any escape attempt initiated by a prisoner before the prisoner is secured aboard the LASD transportation bus.

- E. SMPD shall be deemed to retain the physical custody of and be responsible for SMPD prisoners while said prisoners are within the LASD transportation bus operated by LASD employees when such vehicles are stationary and within the boundaries of a SMPD station or jail facility.
- F. LASD shall be deemed to have taken physical custody of and shall assume the responsibility of SMPD prisoners only upon the departure of the LASD transportation bus from a SMPD facility.
- G. Access to and security around SMPD's detention facility, both inside and outside, shall be the responsibility of the SMPD Watch Commander for the facility.
- H. SMPD personnel shall assist in the placement and securing of prisoners aboard the LASD transportation bus as requested by LASD employees. Notwithstanding such assistance, the prisoners shall become the responsibility of LASD personnel only upon the LASD transportation bus departure from the SMPD facility.
- I. Custody of any SMPD prisoner who is not arraigned shall revert back to SMPD. Within ninety (90) minutes of being notified by LASD, SMPD shall either:
 - (1) pick up any such prisoner(s) from LAX Court and transport such prisoner(s) back to SMPD's detention facility, or
 - (2) send authorized SMPD personnel to release any such prisoner(s) from LAX Court, or
 - (3) fax written authorization for LASD to release any such prisoner(s) to the fax number provided by LASD when notification on non-arraignment is given.

2. Responsibility of LASD

- A. Basic Transportation Services shall be provided from the SMPD facility located at the following address:

Santa Monica Police Department
333 Olympic Drive
Santa Monica, CA 90401

- B. LASD shall be responsible for transporting prisoners, their property, and all associated paperwork to the LAX Court.
- C. LASD shall be responsible for the physical custody of prisoners who have been placed within a LASD transportation bus once the bus departs from the abovementioned SMPD detention facility.
- D. LASD shall be responsible for determining a prisoner's eligibility for physical release and the return of the prisoner's property following the prisoner's release from custody.
- E. Whenever prisoners are remanded to the custody of the Sheriff, LASD shall be responsible for the transportation of all prisoners, their property, and their paperwork to the appropriate County jail facility.

3. Responsibility of LAX Court Deputies

- A. LAX Court Deputies shall accept the custody of prisoners, their property, and their paperwork.
- B. LAX Court Deputies shall be responsible for the custody and movement of prisoners within LAX Court, including within individual courtrooms, corridors, and lockup areas.
- C. LAX Court Deputies shall accept court-originated prisoner paperwork, including the delivery of said paperwork to the courthouse lockup areas.
- D. LAX Court Deputies shall be responsible for the physical release of eligible prisoners when so ordered by the court or by SMPD pursuant to Subsection 3.2.6 of the Agreement or Subsections 1(I)(3) or 4(D)(3) of this SOW, and shall be responsible for returning the property that accompanied the prisoner to court.

4. Responsibility for Medical Treatment of Sick or Injured Prisoners

- A. SMPD shall be responsible for the medical treatment of sick or injured SMPD prisoners until such prisoners are accepted by LASD for transportation and the physical custody of such prisoners has been assumed by LASD pursuant to the terms of this Agreement.
- B. Prior to accepting custody of SMPD prisoners, the LASD transportation personnel shall observe the physical condition of each prisoner, paying particular attention to any individuals who appear to be sick or injured. If any SMPD prisoners have been treated by paramedics, treated in an emergency room, or treated in any other medical treatment facility, then a medical treatment form indicating that the prisoner is ambulatory and

capable of being transported within an LASD transportation bus must be issued by the treating party. If an authorized and properly completed Los Angeles County Unified Arrestee Medical Treatment Form, attached to this Agreement as Exhibit C, containing such an indication has not been provided by the treating party for a prisoner who appears to be sick or injured, then the LASD transportation personnel may refuse to accept such a prisoner until a properly completed medical treatment form is provided. The care and transportation of any and all SMPD prisoners not accepted for transportation by the LASD transportation personnel shall remain the sole responsibility of SMPD.

- C. LASD shall be responsible for caring for SMPD prisoners who become sick or injured prior to being arraigned and while said prisoners are deemed to be in the physical custody of LASD pursuant to the terms of this Agreement. Such responsibility shall include transportation to an appropriate medical treatment facility, if necessary.
- D. SMPD shall reassume the responsibility for and the physical custody of any prisoner who is transported to a medical treatment facility by LASD personnel. Accordingly, within ninety (90) minutes of being notified by LASD, SMPD shall either:
 - (1) send an authorized SMPD officer to retake physical custody of and transport the prisoner back to SMPD's detention facility, or
 - (2) send an authorized SMPD officer to release the prisoner from the medical treatment facility, or
 - (3) send written authorization for LASD to release the prisoner to the fax number provided by LASD when notification of the medical transport is given to SMPD.

5. Prisoner Property and Money

- A. LASD shall transport only the money and property belonging to the prisoners who are then being transported. SMPD shall secure all prisoner property and money within the containers specified by LASD prior to the time of transportation to LAX Court.
- B. SMPD shall prepare each prisoner's property in accordance with the following LASD policy:
 - (1) All items of personal property must fit into and be completely enclosed in a clear plastic bag with dimensions that shall not exceed ten (10) inches by fifteen (15) inches.

- (2) All items enclosed in the clear plastic bag shall be clearly and properly identified on the booking slip accompanying each prisoner and shall also be listed on a Property Transmittal Form.
- (3) All mobile telephones, pagers, and other electronic devices shall be turned off prior to being placed within a plastic bag.
- (4) All personal items and jewelry, in addition to being properly identified on the booking slip, shall be enclosed in sealed manila envelopes with the description of the enclosed items written on the outside of the envelope. The arresting officer's initials shall be written across the edge of the sealed flap of the envelope.
- (5) All food stamps, in addition to being properly identified on the booking slip, shall be enclosed in sealed manila envelopes with the description and the value of the enclosed items written on the outside of the envelope. The arresting officer's initials shall be written across the edge of the sealed flap of the envelope.
- (6) The IRC shall not accept the following personal property items:
 - (a) Knives or other weapons, including but not limited to tools such as screwdrivers, pliers, etc.

 - (d) Any personal property items that are unable to fit into and be completely enclosed within the prescribed clear plastic bag described above.
 - (e) Any sealed, unsealed, or resealable vessel containing liquids of any type.
- (7) All personal property items that are not accepted shall either be disposed of or stored by the arresting agency. If personal property is disposed of or stored by the arresting agency, this information shall be clearly noted on the booking slip as follows:
 - (a) Any items not delivered to the IRC because they did not conform to the size restrictions mentioned above shall be described on the booking slip as "bulk" property, and the booking slip shall indicate where the items are being stored.

- (b) The status of any items not delivered to the IRC because they failed to conform to any of the other restrictions mentioned above shall be noted on the booking slip.
- (c) The prisoners' property that is placed within the clear plastic bags shall be listed and verified by SMPD on a Property Transmittal Form.
- (d) SMPD shall place the Property Transmittal Form and all property within a Property Bag provided by LASD. SMPD shall lock the Property Bag.
- (e) A member of LASD's transportation crew shall sign for receipt of the locked property bag and transport the locked property bag to LAX Court with the prisoners.
- (f) LAX Court personnel shall promptly notify SMPD of discrepancies between the contents of the Property Bag and the contents listed on the Property Transmittal form.

6. Special Transportation Issues

In the event that the LASD transportation personnel determines that any SMPD prisoner is not suitable for transportation on a bus because the prisoner presents an unusually high escape risk, is unusually dangerous, is of high notoriety, or any other reason, then SMPD may appeal such a determination to LASD's Transportation Bureau Watch Commander.

**PRISONER TRANSPORTATION SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF HUNTINGTON PARK**

This Prisoner Transportation Services Agreement (hereinafter "Agreement") is made and entered into by and between COUNTY OF LOS ANGELES (hereinafter "County"), a political subdivision of the State of California, and CITY OF HUNTINGTON PARK (hereinafter "City"), a municipal corporation, for the transportation of Huntington Park Police Department prisoners by the Los Angeles County Sheriff's Department.

RECITALS

WHEREAS, the Huntington Park Police Department (hereinafter "HPPD") and the Los Angeles County Sheriff's Department (hereinafter "LASD") each have similar responsibilities in the detention, transportation, and arraignment of prisoners; and

WHEREAS, the Los Angeles Superior Court has discontinued hearing criminal matters in the Huntington Park Courthouse and has transferred all such criminal matters to the Metropolitan Courthouse (hereinafter "Metro Court"); and

WHEREAS, persons arrested and detained by HPPD need to be transported under guarded supervision from HPPD's detention facility to Metro Court; and

WHEREAS, County agrees to provide Prisoner Transportation Services to City; and

WHEREAS, County is authorized to enter into this Agreement by the provisions of Section 56 3-4 of the Charter of the County.

NOW THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto mutually agree as follows:

1.0 AGREEMENT SERVICES

County agrees to provide Prisoner Transportation Services to City as set forth herein and in the HPPD-LASD Prisoner Transportation Services Statement of Work (hereinafter "SOW"), which is attached hereto as Exhibit A and incorporated herein. County, through LASD, agrees to transport ambulatory HPPD prisoners from HPPD's detention facility to Metro Court on each court day for arraignment. LASD shall retain custody of any prisoners who are arraigned and/or remanded to custody by Metro Court pursuant to the terms and conditions contained in SOW.

2.0 OBLIGATIONS OF LASD

- 2.1 LASD shall provide "Basic Transportation Services" consisting of the following:
- 2.1.1 Provide one (1) pickup and transport of ambulatory HPPD prisoners from HPPD's detention facility to Metro Court on each court business day. HPPD's detention facility is located at:
- Huntington Park Police Department
6542 Miles Avenue
Huntington Park, CA 90255
- 2.1.2 Provide one (1) transportation bus to make the aforementioned pickup and transport of ambulatory HPPD prisoners to Metro Court. While LASD reserves the right under this Agreement to transport County prisoners and HPPD prisoners in the same transportation bus, LASD shall ensure that the transportation bus shall have sufficient remaining capacity to accommodate all HPPD prisoners listed on the daily Order to Transport submitted by HPPD, up to the total prisoner capacity of the transportation bus.
- 2.1.3 Two (2) Deputy Sheriff's shall be on board the transportation bus during the transportation of HPPD prisoners. The Deputies shall share responsibilities for driving, supervising the loading, unloading, handcuffing, chaining, etc. of prisoners, and supervising the prisoners while in transit.
- 2.1.4 Basic Transportation Services shall be billed at the rates shown in Exhibit B (Pricing and Billing Schedule) of this Agreement.
- 2.2 Basic Transportation Services shall be provided only in response to an Order to Transport issued by HPPD in accordance with the provisions of the attached SOW.
- 2.3 HPPD shall have its prisoners ready for transportation at the appointed pick-up time as determined by LASD's Transportation Bureau. Any HPPD prisoners who are not ready for transport at the scheduled departure time shall be transported to court by HPPD.
- 2.4 Each HPPD prisoner's property and custodial paperwork shall be transported with the prisoner in compliance with LASD policies regarding the transportation of prisoner property as described in the attached SOW.
- 2.5 HPPD prisoners shall remain in the custody of LASD and held in the proper court or County detention facility, or released when appropriate.

- 2.6 LASD and court personnel shall retain legal responsibility for, and physical custody of, prisoners at the court facility pursuant to the SOW.
- 2.7 Each prisoner's court attendance shall be coordinated with the HPPD Court Liaison.
- 2.8 LASD shall collate all HPPD prisoner related custody paperwork and forward such paperwork to LASD's Inmate Reception Center.

3.0 OBLIGATIONS OF HPPD

- 3.1 HPPD shall generate and transmit an Order to Transport to LASD's Transportation Bureau.
 - 3.1.1 HPPD shall transmit an Order to Transport to LASD from HPPD's detention facility after having processed prisoners scheduled to appear at Metro Court for either a misdemeanor or felony charge on that day.
 - 3.1.2 The Order to Transport shall follow protocol as outlined in the SOW.
- 3.2 HPPD shall transfer prisoners to LASD as follows:
 - 3.2.1 HPPD shall arrange, package, and address each prisoner's property and custodial paperwork.
 - 3.2.2 HPPD shall have prisoners, property, paperwork, and personnel ready to complete transfer upon arrival of the LASD transportation bus.
 - 3.2.3 HPPD personnel shall maintain security in and around HPPD facilities in accordance with the SOW.
 - 3.2.4 HPPD shall assist in transferring and securing prisoners aboard the LASD transportation bus pursuant to the SOW.
 - 3.2.5 Custody of a prisoner shall be transferred to LASD only after the prisoner is secured within the LASD transportation bus and the bus has departed the HPPD detention facility.
 - 3.2.6 HPPD shall either retake physical custody of or release any and all HPPD prisoners who are not arraigned, regardless of the reason for the prisoner(s) in question not being arraigned. If HPPD chooses to retake physical custody of such prisoners, then

HPPD shall do so within ninety (90) minutes of being notified by LASD. If HPPD chooses for such prisoners to be released, then HPPD shall fax to LASD written authorization for LASD to release the prisoner(s) in question. The written authorization shall be faxed to the number provided by LASD when notification of non-arraignment is given.

3.2.7 If an officer of the court issues an order to transport a pre-arraigned HPPD prisoner to another location for any reason, then HPPD shall retrieve the prisoner from Metro Court and transport the prisoner according to the court's instructions. LASD shall have no obligation whatsoever to transport said prisoner.

3.2.8 Whenever the number of prisoners shown on the daily Order to Transport exceeds the total prisoner capacity of the transportation bus as described in Subsection 2.1.2 above, then HPPD shall have the option of purchasing Supplemental Transportation Services at the hourly overtime rate and mileage rate shown on Exhibit B (Pricing and Billing Schedule) of this Agreement. LASD'S Transportation Bureau retains the right to refuse to provide Supplemental Transportation Services at its sole discretion. Under such circumstances, HPPD shall be solely responsible for transporting any and all prisoners who cannot be accommodated on the LASD transportation bus.

3.3 HPPD shall maintain and provide a HPPD Court Liaison. The HPPD Court Liaison shall:

3.3.1 Process paperwork and obtain the necessary complaints, if available; and

3.3.2 Coordinate prisoner's attendance in arraignment court with LASD; and

3.3.3 Serve as a liaison for HPPD with the court and LASD.

4.1 City shall pay County for the services provided under the terms of this Agreement at the rates established by the Los Angeles County Auditor-Controller as set forth on Exhibit B (Pricing and Billing Schedule) of this Agreement.

4.2 The fee for Basic Transportation Services shall be annualized based upon one (1) LASD Fiscal Year, which begins on July 1 and ends on June 30 of the following calendar year. The fee for one (1) Fiscal Year shall be

- 4.6 City shall pay each invoice within sixty (60) days of the date of the invoice. If payment is not rendered in full within sixty (60) days of the date of the invoice, County is entitled to recover interest on any unpaid balance at the rate of ten percent (10%) per annum or any portion thereof calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.
- 4.7 The Annual Base Rate for Basic Transportation Services, along with the Hourly Overtime Rate and the Mileage Rate for Supplemental Transportation Services, shall be adjusted annually to reflect the cost of such services as determined by the Los Angeles County Auditor-Controller. The adjusted rates shall take effect at 12:00 a.m. on July 1 of each year. The annual rate adjustment shall be reflected in an Amendment to this Agreement, pursuant to Section 7.0 (Amendments) of this Agreement.
- 4.8 City shall be notified of the adjusted Annual Base Rate for Basic Transportation Services and the Hourly Overtime Rate and the Mileage Rate for Supplemental Transportation Services no less than sixty (60) days prior to the date upon which the new rate becomes effective.

INTER-AGENCY RESPONSIBILITIES:

1. Responsibility of HPPD

- A. Timely provide an Order to Transport to LASD. The Order to Transport shall be in the form of a teletype and shall be sent to LASD no later than 4:30 a.m. The Order to Transport shall also contain information that shall include, but is not limited to, the number of prisoners, their gender, and the court destination of each prisoner.
- B. Process all necessary paperwork for court.
- C. Prepare the prisoners, their property, and their paperwork for transportation to Los Angeles Superior Court's Metropolitan Courthouse ("Metro Court"). The paperwork shall include a Los Angeles County Unified Arrestee Medical Treatment Form. An example of the form is attached to the Agreement as Exhibit C.
- D. The HPPD station or jail facility Watch Commander shall be responsible for all aspects of prisoner security, including the physical custody of the prisoners, their property, and their paperwork, including all medical papers, during the entire time that the prisoners are housed or contained within a HPPD facility. HPPD shall be solely responsible for responding to

any escape attempt initiated by a prisoner before the prisoner is secured aboard the LASD transportation bus.

- E. HPPD shall be deemed to retain the physical custody of and be responsible for HPPD prisoners while said prisoners are within the LASD transportation bus operated by LASD employees when such vehicles are stationary and within the boundaries of a HPPD station or jail facility.
- F. LASD shall be deemed to have taken physical custody of and shall assume the responsibility of HPPD prisoners only upon the departure of the LASD transportation bus from a HPPD facility.
- G. Access to and security around HPPD's detention facility, both inside and outside, shall be the responsibility of the HPPD Watch Commander for the facility.
- H. HPPD personnel shall assist in the placement and securing of prisoners aboard the LASD transportation bus as requested by LASD employees. Notwithstanding such assistance, the prisoners shall become the responsibility of LASD personnel only upon the LASD transportation bus departure from the HPPD facility.
- I. Custody of any HPPD prisoner who is not arraigned shall revert back to HPPD. Within ninety (90) minutes of being notified by LASD, HPPD shall either:
 - (1) pick up any such prisoner(s) from Metro Court and transport such prisoner(s) back to HPPD's detention facility, or
 - (2) send authorized HPPD personnel to release any such prisoner(s) from Metro Court, or
 - (3) fax written authorization for LASD to release any such prisoner(s) to the fax number provided by LASD when notification on non-arraignment is given.

- E. Whenever prisoners are remanded to the custody of the Sheriff, LASD shall be responsible for the transportation of all prisoners, their property, and their paperwork to the appropriate County jail facility.

3. Responsibility of Metro Court Deputies

- B. Metro Court Deputies shall be responsible for the custody and movement of prisoners within Metro Court, including within individual courtrooms, corridors, and lockup areas.
- C. Metro Court Deputies shall accept court-originated prisoner paperwork, including the delivery of said paperwork to the courthouse lockup areas.
- D. Metro Court Deputies shall be responsible for the physical release of eligible prisoners when so ordered by the court or by HPPD pursuant to Subsection 3.2.6 of the Agreement or Subsections 1(I)(3) or 4(D)(3) of this SOW, and shall be responsible for returning the property that accompanied the prisoner to court.

4. Responsibility for Medical Treatment of Sick or Injured Prisoners

- A. HPPD shall be responsible for the medical treatment of sick or injured HPPD prisoners until such prisoners are accepted by LASD for transportation and the physical custody of such prisoners has been assumed by LASD pursuant to the terms of this Agreement.
- B. Prior to accepting custody of HPPD prisoners, the LASD transportation personnel shall observe the physical condition of each prisoner, paying particular attention to any individuals who appear to be sick or injured. If any HPPD prisoners have been treated by paramedics, treated in an emergency room, or treated in any other medical treatment facility, then a medical treatment form indicating that the prisoner is ambulatory and

capable of being transported within an LASD transportation bus must be issued by the treating party. If an authorized and properly completed Los Angeles County Unified Arrestee Medical Treatment Form, attached to this Agreement as Exhibit C, containing such an indication has not been provided by the treating party for a prisoner who appears to be sick or injured, then the LASD transportation personnel may refuse to accept such a prisoner until a properly completed medical treatment form is provided. - C. LASD shall be responsible for caring for HPPD prisoners who become sick or injured prior to being arraigned and while said prisoners are deemed to be in the physical custody of LASD pursuant to the terms of this Agreement. Such responsibility shall include transportation to an appropriate medical treatment facility, if necessary.
- D. HPPD shall reassume the responsibility for and the physical custody of any prisoner who is transported to a medical treatment facility by LASD personnel. Accordingly, within ninety (90) minutes of being notified by LASD, HPPD shall either:

 - (2) send an authorized HPPD officer to release the prisoner from the medical treatment facility, or
 - (3) send written authorization for LASD to release the prisoner to the fax number provided by LASD when notification of the medical transport is given to HPPD.

5. Prisoner Property and Money

- A. LASD shall transport only the money and property belonging to the prisoners who are then being transported. HPPD shall secure all prisoner property and money within the containers specified by LASD prior to the time of transportation to Metro Court.
- B. HPPD shall prepare each prisoner's property in accordance with the following LASD policy:
 - (1) All items of personal property must fit into and be completely enclosed in a clear plastic bag with dimensions that shall not exceed ten (10) inches by fifteen (15) inches.

- (2) All items enclosed in the clear plastic bag shall be clearly and properly identified on the booking slip accompanying each prisoner and shall also be listed on a Property Transmittal Form.
- (3) All mobile telephones, pagers, and other electronic devices shall be turned off prior to being placed within a plastic bag.
- (4) All personal items and jewelry, in addition to being properly identified on the booking slip, shall be enclosed in sealed manila envelopes with the description of the enclosed items written on the outside of the envelope. The arresting officer's initials shall be written across the edge of the sealed flap of the envelope.
- (5) All food stamps, in addition to being properly identified on the booking slip, shall be enclosed in sealed manila envelopes with the description and the value of the enclosed items written on the outside of the envelope. The arresting officer's initials shall be written across the edge of the sealed flap of the envelope.

 - (a) Any items not delivered to the IRC because they did not conform to the size restrictions mentioned above shall be described on the booking slip as "bulk" property, and the booking slip shall indicate where the items are being stored.

- (b) The status of any items not delivered to the IRC because they failed to conform to any of the other restrictions mentioned above shall be noted on the booking slip.
- (c) The prisoners' property that is placed within the clear plastic bags shall be listed and verified by HPPD on a Property Transmittal Form.
- (d) HPPD shall place the Property Transmittal Form and all property within a Property Bag provided by LASD. HPPD shall lock the Property Bag.

6. Special Transportation Issues

In the event that the LASD transportation personnel determines that any HPPD prisoner is not suitable for transportation on a bus because the prisoner presents an unusually high escape risk, is unusually dangerous, is of high notoriety, or any other reason, then HPPD may appeal such a determination to LASD's Transportation Bureau Watch Commander.
